

MONTESSORI INCLUSIVE EDUCATION SEMINAR

with
DR. SILVIA C. DUBOVOY

Dr. Dubovoy is a teacher trainer for Assistants to Infancy, Primary and Inclusive Education. She lectures, consults, and examines for AMI worldwide. In addition to the AMI Assistants to Infancy, Primary, and Special Education diplomas, Dr. Dubovoy holds a PhD in psychology from the University of Barcelona. A board member of AMI from 1982 until 2010, she currently serves on the AMI Research Committee. Dr. Dubovoy also acts as the Director of Training for the Montessori Institute of San Diego, an Associate Professor at Loyola University in Maryland and the Academic Director for the Master of Montessori Pedagogy of Universidad de Vic-Barcelona.

Many unknown factors can interfere with a child's natural development. With practical knowledge and improved observation techniques, both parents and teachers can transform the lives of all involved.

LECTURES INCLUDE:

Montessori history & special education

overview of learning disabilities

common characteristics among exceptionalities

observation & red flags

how to identify stressors in the environment

strategies for support
